2010 Adventure Painting Workshops

These fun and dynamic indoor/outdoor painting workshops take place in beautiful rural and lake-side settings in the Madawaska Valley during the summer and fall. Artist Joyce Burkholder provides instruction, encouragement and support to those who have never painted before and to those who are experienced painters. Imagine...painting from nature in a scenic, relaxed and private setting!

Some workshops are in watercolour and some are combined oils and acrylics. Participants can bring their own materials, or purchase them from Joyce. Painting directly from the surrounding scenery is encouraged and a large indoor studio is also provided for those that wish to paint indoors. Joyce demonstrates, explains and simplifies the painting process she has developed during her 40 years of being a professional artist. Her paintings can be seen at the Wilno Garden Gallery, Wilno Craft Gallery and other galleries nearby, and by visiting www.wilnogardengallery.com.
